Hon, R. G. Barr left yesterday on siness trip to Philadelphia Capt. B. B. Dovener is attending the Circuit Court at Moundsville.

Attorney General Caldwell was attend-ng court at Moundaville yesterday.

Mr. P. J. Moran, of the B. & O. machine thops, is out again after a long spell of

Col. W. W. Arnett has returned from Col. Robert White and Alfred Rhein

m are at New Cumberland, attending ie County Court. Mr. Henry Stamm, proprietor of the hotel bearing his name, is confined to his

room by a slight illness. Mr. George K. McMechen is moving into the residence formerly occupied by the late Alexander Laughlin.

Mr. C. N. Healey and family will re-move this week to Cleveland, Ohio, where

operative mill at Terre Haute.

The friends of Rev. E. H. Dornblaser, pastor of the First English Evangelical Lutheran Church, surprised him on Friday last with a number of presents. Among them was a handsome git in solid cash by his congregation as a token of the estimation in which he is held by his people. The occasion was the celebration of his thirty-sixth birthday.

Importing Brickingers.

A Philadelphia contractor passed through the city yesterday accompanied by eight bricklayers from the same city, on route to Farkersburg, where they go to do some work for the Standard Oil Company. The workmen in this line living pereabout think the policy of importing wise economy on the part of the contrac-tor nor wise politics on the part of Senator Camden, who is the head of the local branch of the concern for which the work is to be done.

Reception at the Y. M. C. A.

The following is the programme for the reception to be given at the Young Men's Christian Association at 8 o'clock to-night:

THE stock of Hats, Caps and Gents' Furnishing Goods at Noble Bros.' new atore, in the McLure House building, is

other side of the river. Wheeling manufacturers regard the offer of Messrs.
Film & Gillespie as being reasonable, and they prefer to make arrangements for their gas supply independently of the West Virginia Natural Gas Company, which has the exclusive privilege for items they company and the time they company and the removal of the formula in the company may demand the removal or repair of any burner or exit pipe that it may deem injurious to its interests and the consumer agrees to cample with such Soow fell freely at intervals yesterday, in all respects, and suggestive of anything but "the flowers that bloom in the savine". It will be remembered that there was at tached to the West Virginia Natural Gas Company's ordinance an amendment providing that any manufacturer or asso-ciation of manufacturers might bring in gas for his or their own use, for manu-facturing purposes.

A NEW COMBINATION BEFORE COUNCIL, In keeping with what they understand to be the spirit of this provision, they will to-night present to Council the draft of an to-night present to Council the draft of an ordinance, in plain terms permitting them to make such arrangements as they may desire for supplying themselves with natural gas. The concerns actively interested in this movement are the Top Mil, the LaBelle mill, Hobbs, Brockunier & Co., the Whittaker Iron Works, the Wheeling Pottery Co., the Schmulbach Brewing Co., the Reymann Brewing Co., and others. A manufacturer said yesterday to an ISTELLIGENCES reporter: "Our firm and others have already made contracts with Messrs. Frinn and Gillespie which place as on an equal footing with the establishments across the river, where nobody is to have an exclusive privilege. It was a mistake for Wheeling to grant that, for I doubt whether any two companies can

doubt whether any two companies can supply this city with the gas it will want REAGONS FOR THE NEW COMMINATION,

"However, here is the point: we believe that we can get the gas through
Mesers. Finn and Gillespie sooner than
in any other way, and as the price is satisfactory to us and the welfare of the city
dependent upon the prosperity of its industries, we think the Council will cheerfully put us in a position so that we may
be sure of our ground and go shead. Then
if the company with which we contract

rirginia Natural Gas Company, was met by an Intelligences reporter last even ing on his return from Pittsburgh. Mr. Hearne was asked what he had to say school does not exist. He was the funiordinance modified so as to place the
maximum price at ten cents. But, ung derstand me, don't expect to charge
householders by the thousand cubic feet
and put a meter in each house—here, I a
happen to have with me a copy of the
contract which we shall make with householders. You see how it reads, so much
for cook stove, so much for heating slove
or grate, per month, according to the
number of burners, with a specification
as to the size of the burners. Under this
contract the householder may hurn as
much gas as he pleases and the charge is
g the same. So much for the household
service,

AN OFFER TO MANUFACTURERS.

Onallis Urso.

"No; our officers were here to meet the Wheeling manufacturers and make contracts on terms which it was thought would be acceptable to them, but they waited and no manufacturers appeared but contracts or no contracts, we expect to but contracts or no contracts, we expect to do even better for the manufacturers than the terms upon which these Flinn and Gillespie contracts have been made. We understand that it is to our interests to treat the manufacturers fairly and even liberally, so that they will have no cause of complaint. This is our purpose if they will give us the opportunity to show it. This much is certain, we have the money and we have the gas. We have the money and we have the gas. We are going right shead and we are going to bring the gas here as fast as we can."

RULES AND REGULATIONS

Prepared by the West Virginia Natural Gas Company, to Govern its Patrons. The West Virginia Natural Gas Company has prepared rules and regulations

to govern its patrons. Following will be found several of the principal ones:
The company will make the necessary connections with its main and carry same

connections with its main and carry same to the curb of pavement, but all other connections and appliances for the purpose of utilizing the gas from that point shall be at the cost of the consumer, and shall be, as to character, condition and arrangement, at all times subject to the approval of the Inspector.

The consumer shall use all due care so

any event for damage to person or prop

SERKING THE GAS PRIVILEGE.

Lucal Manufacturers Combine to Secure the
Fuel of Nature at Favorable Hates.
The Saving Clause in the Existing
Ordinance taken Advantage of.

Wheeling manufacturers are taking a
lively interest in the matter of a supply
of natural gas for their establishments.
Many of them have already contracted
with the Flinn & Gillespie company,
whose contracts already include nearly,
if not all, the establishments on the
other side of the river. Wheeling mannfacturers regard the offer of Messrs. The Tucker Pioneer is for sale. Hu Maxwell wishes to engage in other busiimilar in its aims and purposes of the Parnell Club, of this city, has been formed

Senator W. M. O. Dawson, editor of the reston county *Journal*, has been elected resident of a Y. M. C. A. recently formed president of a at Kingwood. The Clarksburg Telegram was sold at public sale last week. As yet no arrangements have been made as to who will dit the paper. Two sged female inmates of the Weston Insane Asylum died last week. One was rom Preston county and the other from Patham county.

furnishing for general heating purposes, the consumer agrees to comply with such Failure to comply with any of the rules annuls the contract.

A New Company Organized

A New Company Organized.

The Nail City Gas and Oil Company, lately chartered by Secretary of State Walker, organized last evening by electing a board of nine Directors, Messrs, Lewis Jones, H. F. Jones, C. A. House, S. E. Olmstead, E. L. Rose, W. T. Burt, G. O. Smith, George Clator and W. R. Donaldson. The Directors later chose Mr. Lewis Jones President, E. L. Rose Vice President, W. P. McKelvey Secretary and H. F. Jones Treasurer. This company controls valuable territory in the Washington oil and gas field, and is ready to commence the work of sinking its first well.

AT THE THEATRES.

Esmeralda" - Frank Frayne-Camilla Urso, etc. Mrs. Burnett's charming and well known airs, Burnett's charming and well known play, "Esmeraida," was given last night at the Academy of Music to a large and well pleased audience by the Diclon & Stedman Company. The play appeals to the popular idea of intice in affairs of the heart, and it will continue to attract patronage from all classes wherever presented by a compatent cameau, such as

supply this city with the gas it will want to use.

REATONS FOR THE NEW COMBINATION.

"However, here is the point: we believe that we can get the gas through Messrs. Flinn and Gillespie sooner than in any other way, and as the price is satisfactory to us and the welfare of the city dependent upon the prosperity of its industries, we think the Council will cheerfully put us in a position so that we may be sure of our ground and go abead. Then if the company with which we contract does not serve us well we can look elsewhere for our supply. Wheeling manufacturers are under great disadvantages—look across the river and note a result of this in the work of Wheeling capital and enterprise over there. We must get into better shape in Wheeling or we cannot hold our own. This is a day of strong competition and the weak cannot stand."

WHAT MIK HEARINE SAYS

Regarding the Present Situation and the Attitude of this Company.

Mr. W. H. Hearne, counsel for the West Virginia Natural Gas Company, was met.

a day.
"Esmeralda" will be continued every evening during the week and at the Wed nesday and Saturday matiness.

Frank Frayne's Company. Hearne was asked what he had fo say about the publication in the morning's INTELLIGENCER relating to the discrimination against Wheeling and in favor of the other side of the river made by his company. "I have this to say," replied Mr. I learne; "when the ordinance was passed natural gas was being delivered to house holders in Pittsburgh at from 13 to 15 counts a thousand. Now it is being delivered for 10 cents; that is what Finn & Gillespie offer it at in Bellaire, and we expect to do as well as that, at least, in Wheeling. We spe perfectly willing to have that feature of our continues modified so as to place the

ast week looking for a boat to be place in the Pittaburgh and Kanawha river trade in opposition to the W. N. Chancel-During the past forty-eight hours the

river has been rising rapidly. The marks last evening indicated a depth in the channel of nineteen feet and the river was still rising. A number of tow boats that left Pittsburgh

A number of tow boats that left Pittaburgh on last Wednesday and Thursday with tows of coal in barges will return, flying glight, to take out tows, nmong others the Sam Clark, Sam Brown, Josh Cook, Acorn and John Moren.

At Pittaburgh last evening the marks indicated a depth of fifteen feet in the channel and both rivers were rising. From all points above there, on both rivers, the reports were to the effect that the rivers were rising.

The Andes arrived from Circinnati at 6:30 o'clock last evening. Her officers reported a very fair trip. She will leave for Olincinnati on her return trip at 3 o'clock this siternoon. The Andes is so well and favorably known all along the river that she needs no word of commendation. Shippers should have freight on hand promptly.

THE MINE PEDERATION.

copy of the Sunday News-Letter of yester The Indian show left town yesterday morning after having been here many cour attention. It is headed: "The weeks. Blacksheep Balked—In their Efforts to Secure Admission to the Federation of Miners and Mine Laborers—Secretary Workmen were employed on the street car tracks part of Sunday, removing tim-bers and putting down new ones to pre-vent constant jumping off the tracks.

Miners and Mine Laborers—Secretary Evans made a Personal Investigation of the Matter at Issue—No Blacksheep can Gain a Foothold in the Federation—Dan McLaughlin has said it."

I regret that I did not know of Mr. Evan's coming or arrival in the city sooner. He was here thirty-six hours or more before I became aware of the fact. It would have afforded me pleasure to have met him and conferred with him more than I was able to do on the very abort notice that I received. The time granted me after I met him at the St. James Hotel was not sufficient. As I understand the situation, he came here to investigate as to the character and circumstances under which they are working, of those who have organized and bean admitted into the Erotherhood of Miners and Mine Laborers, of which you are so While friends were preparing the sup-posed dead body of William Canning-ham, of Ellenboro, for burial, the "trance" were off and he got up. and Mine Laborers, of which you are a conspicuous a member and a prominen

conspicuous a member and a prominent organizer.

As I learn, you were met by other parties not of your organization, who gave you only an ex parte statement as to troubles long since past, if I am to judge of those statements by the published statements which are spread broadcast autone, our people on every Saturday in or nose statements by the barbackes attements which are spread broadcast among our people on every Saturday in the columna of the Boycotter, a paper published by Mr. Ehmann, and again on Sunday in the News-Letter, a paper published by Mr. Robertson and his company, then I confess that convictions are easily obtained. I claim and maintain if charges are to be made and investigated that it is the duty of the investigator to require them to be specific, and that the accuser and accused shall be heard. In other words, a full, free and fair investigation shall be had when both sides may be leard, instead of angry discussion and debate between parties, which never settles anything. Let the witnesse be put upon the stand and make their statements under oath. Charges and counter charges, crimination and recrimination, will only add fael to the fire.

Let all such proceedings be frowned down in the starting of this grand movement which promises so well and so much in the way of reforming the old methods.

was found on Fox \$104 of the stolen money.

The Raleigh county Index says that it is currently reported that there are several illicit distilleries in operation in that county. There are seven in one neighborhood, part of them in Raleigh and part in Wyoming and Mercer counties.

At Charleston the inex is the stolen down in the starting of this grand movement which promises so well and so ment which

The Democratic city convention last night made the following nominations, all by acclamation: Mayor, Patrick McGranaghan; Marshal, John Burke; Solicitor, George K. Woodbridge; Treasurer, Fred Rodewig; Street Commissioner, Cornelius Curran; Water Works Trustee, James B. Darrah; Board of Education, F. J. Smith and Thomss Auit. Messrs. Burke, Woodbridge and Rodewig are the present incumbents of the offices for which they were named. The nominees for Councilmen are: First ward, S. E. Sterritt; Second, John Morrie; Thirid, John J. McDermott; Fourth, Gideon S. Jennings; Fifth, H. G. Hartenstein. No. 1417 MARKET STREET, And now compled by Chis. R. Belder. For terms, &c., apply to

Why is a newly-born baby like a gale o wind? Because it begins with a squall Cold gales induce coughs and croup. Tay lor's Cherokee Remedy of Sweet Gum and Mullein will cure it. The third of the series of anateur races being given at the Albambra rink will take place to-night between Wallie Worls, James Wheat and Henry Etz. FOR RENT, FROM APRIL 1, 1880

Our stock is entirely new and include the latest spring styles. Call in.

A Squalling Baby.

Brown's Evon Bliters.

A QUESTION ABOUT Brown's Iron Bitters ANSWERED.

The question has probably been saked thousands of times. "How can Brown's from Bitters cure every-time," Well, it doesen't all it doese the any discussion which a reputable physician would presentle little Physicians recentles from the area of the best reportation agent known to the profession, and inquiry of any totaling chemical firm will substantiate the assertion that there are more preparations of from than of any cluster than the substantial of the profession of the profession of the profession of the more important factor in successful modified tractice, it is, however, a centraliable fact, that prior to the discovingwayer that the profession of amportant factor in successful modical practice. It is nowers, a remarkable fact, that prior to the discov-ery of HEGWN'S FRON HITTER'S no perfect that the manufactor had ever been found. BROWN'S IRON BITTERS the teeth, can BROWN'S IRON BITTERS, however minute. Like all other thorough medicines, is acts minute, Like all other thorough medicines, is acts enough the control of th
